### Tariff of Mortgage Charges

North Yorkshire Mortgages (NYM) is closely involved in the mortgage industry's initiative with the Council of Mortgage Lenders and Which? to make our fees and charges easy for you to understand. Our Tariff of Charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages. When looking at the fees that other firms charge, you may notice some that don't appear in our Tariff (below). This means we don't charge you these fees. If you need further help in understanding any of them, please contact our Mortgage Helpline on 0345 130 4145.

### Mortgage Related Charges

Where fees or charges are debited to the mortgage account, interest will be charged on a daily basis from the date they are debited. You may avoid such interest charges by paying the appropriate fee or charge to NYM before the account is debited with the charge. Please note any wording in italics applies specifically to North Yorkshire Mortgages and may not appear in other Lenders Tariffs.
